Subject: Far West Water docket no. WS-03478A-12-0307

Her we go again with a company that does not know how to manage their affairs. They keep trying to raise our rates however the service has NOT changed and most residents here are only here most six months and as you know we pay year round. If memory serves me right it was just a couple of years ago a judge told the company the same thing I just said but here they come again. I suggest and outside manager be assigned to show them how to operate the finances part anyway.

Thank You for your time, a Foothills home owner Arnie Mette
